

## HD Bluetooth Headset

### GUV3050

The GUV3050 is an HD Bluetooth Headset that pairs with laptops, computers, IP phones and other devices to offer high-quality, wireless sound. Ideal for remote workers and busy environments, this Bluetooth headset features a noise cancellation microphone that minimizes background noise to provide crisp HD audio. The GUV3050 easily pairs with any Bluetooth device, provides all day comfort thanks to an adjustable headband, and comes equipped with a charging base station. The GUV3050 is compatible with any Bluetooth-enabled device, as well as any device that offers a USB connection using the included USB dongle, including mobile devices, laptops computers and Grandstream IP phones. The headset supports all major third-party communication platforms, apps and softphones as well as Grandstream's IPVideoTalk Meetings and Wave app. By offering crystal-clear HD audio, easy Bluetooth pairing, comfortable use and wide compatibility, the GUV3050 is ideal for remote workers, call centers, receptionists, sales teams and more.
