

SVC-12x

Professional HD Call Center Headsets

SVC-12x Main Features

- Wideband audio technology and superior noise cancelling microphone ensures the crystal clear sound in every conversation
- Built-in anti-acoustic shock circuit to filter out any sound above 118dB, complying with international hearing protection standard
- Lightweight structure, soft ear cushion and flexible headbands are engineered to provide maximum comfort for all-day wearing
- Quick Disconnect: Allow the user to leave desk without taking headset off and effortless connectivity with various bottom cables

SVC-121 Mono

SVC-122 Dual

Microphone

Directivity	Uni-directional (Noise-cancelling)
Diameter	φ 6.0mmx2.7mm
Frequency Range	100HZ~10KHZ
Sensitivity	-42 \pm 2dB (0dB=1V/Pa, 1 KHz)
Impedance	2.2K ohm, f=1KHz
S/N Ratio	65dB
Ear Cushion Size	φ 60mm*h18mm

Speaker

Drive Style	Dynamic (Moving-coiled)
Outer Diameter	φ 28mm
Resistance	32 Ω +/-20%
Frequency Response	50HZ-10KHZ
Sensitivity	100 \pm 1dB (at 1 KHz 1mw)
Distortion	\leq 1%
